# Request for Flexible Working Application Form

### Note to employee

You should use this form to make an application to work flexibly if you have worked for the Council continuously for 26 weeks. There is no automatic right for your request to be granted although your request must be considered seriously under law.

Before completing this form you should read the Guidance to Employees (available from your line manager or Human Resources.)

You should note that it may take up to 14 weeks to consider a request before it can be implemented and possibly longer where difficulties arise. You should therefore ensure that you submit your application to the appropriate officer well in advance of the date you wish the request to take effect.

It will help the appropriate officer to consider your request if you provide as much information as you can about your desired working pattern. It is important that you complete all the questions as otherwise your application may not be valid.

When completing sections 3 & 4, think about what effect your change in working pattern will have on both the work you do and on your colleagues.

Once you have completed the form you should immediately forward it to the appropriate officer who will have 28 days after the date your application is received in which to arrange a meeting with you to discuss your request.

If your request is granted, this will be a permanent change to your terms and conditions unless otherwise agreed. You will not be able to revert back to your previous working pattern.
